Directions For Use:

Method of defrosting : In order to maintain all the sensory qualities of our product, Les Vergers Boiron recommend you to defrost the product in its original closed packaging, at 35/+39°F. To unmold or cut your frozen puree easily, we recommend one of the following methods: Remove the lid, do not remove the protective seal and leave the tray at room temperature for 5 minutes; Or leave the lid and protective seal on, run the tray under lukewarm water for 30 seconds at least before removing the lid and protective seal. Defrosting and storage after defrosting are the user's

responsibility and must be done in accordance with good hygiene and HACCP practices.

Storage Instructions: -18°C

Shelf Life Once Open:

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
