 Make-up

Instructions 1. Place the weighed out McDougalls Suet Pastry Mix into a mixing bowl fitted with a beater mixing attachment. 2. Blend in the correct amount of cold water on SLOW speed for 10 seconds until dough is formed. DO NOT OVER MIX. Leave to rest for 10 minutes. 3. Roll out pastry to the required thickness. Use as required. Bake suet at 200°C/400°F/Gas Mark 6. For fan-assisted ovens cook at 190°C/375°F/Gas Mark 5. Steam large puddings for 90 minutes.

Storage Instructions: Store in a cool dry place. Keep bag tightly closed after part use.

Shelf Life Once Open:

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
