Directions For Use:

Remove all packaging. Top pizza base with choice of toppings and bake directly on the shelf in a pre heated oven. Cooking times and temperatures will vary depending on the choice and quantity of ingredients. Preheat oven to 220°C / 200°C Fan / Gas Mark 7. Remove all packaging and place the base on a baking tray. Spread with your favourite sauce, cheese, and toppings. Cook for 15-17 minutes, or until the edges are golden and the base is crisp. Ensure toppings are thoroughly cooked and the base is piping hot throughout. Cooking times and temperatures will vary depending on the choice and quantity of ingredients. Always defrost the base before baking. Do not refreeze.

Storage Instructions:

Keep frozen -18°C. Once defrosted use within 24 hours. Do not re freeze.

Shelf Life Once Open:

1 Days
