Directions For Use:

DEFROSTING AND SERVING INSTRUCTIONS: For best results remove all packaging whilst the product is still frozen and place on a serving plate. Defrost for approximately 6 hours at ambient. Alternatively remove the required number of slices from frozen product and defrost each slice at ambient for approximately 1-2 hours. Once defrosted store in an airtight container and consume within 3 days. Do not refreeze once defrosted.

Storage Instructions:

Store at -18°C or colder.

Shelf Life Once Open:

3 Days

All product information is correct at time of upload. Information may change so please check the packaging before use.

If allergen information is not presented here, please obtain it from the product packaging or speak with our QA Department.
